### Memberships

Basketball Queensland (BQ) Registration is 365 days. MBBi Registration is Seasonal. All memberships must be paid in advance through Basketball Connect, Links for registration are accessed online via our website Moreton Bay Suns

Memberships entitles paid-up members to register into a MBBi competition/season and Basketball Qld competitions e.g., QSL and Southern Qld Junior Basketball Competition (SQBJC formerly BQJBC).

**Basketball Qld:** 2022/23 \$71.61: This covers insurance both injury insurance and public liability in case a player accidentally injures a spectator or a member of the public. It covers admin costs of BQ, costs representing the sport to government bodies, membership database and software, development of referees etc.

**Moreton Bay Basketball:** 2022/23 \$50.00: This covers administration costs, running office equipment, iPads for scoring, training referee, Association Affiliation fees to BQ, etc.

### **Season Registration/Game Fees:**

Seasons run for 6 months and this fee covers game costs: court costs, balls, referees' payments. This fee can be paid in full online. Currently, Our Summer 2023/24 Season Game fees to be paid in full online are \$350.

**Please note:** Summer Season runs October to March and Winter Season April to September. It is also hoped this will reduce the post-Christmas financial stress for members and alleviate the issues of organising teams and competitions over the long Xmas break.

2nd Season Game fees are payable by any junior player playing in more than one junior competition team. The cost for playing in a second team is \$175 for Summer 2023/24 Season. All players must have permission from the the junior coordinator to play in a second team. Please note that ALL PLAYERS must play in their correct age group before they will be allocated to a second team in a higher division/age group. This will mean occasionally due to game schedule clashes a player can only play one game on a night. Similarly, as many players are also refereeing and/or coaching, they may also sometimes get only one game per night. Thus, the reduce fee for the second team. It is too difficult to try to manipulate the draw to ensure as many games as possible as is it greatly affected by the referee draw which is done each week. There is not enough time between the referee draw and the game night to make changes to Games Draw and/or ensure that everyone is aware of late changes.

Allow 24 to 48 hours for payment to process online and EFT payments.
